

## Pick it up and go... *Persona Mobile*

Introducing something special from ZYGO Industries, Inc.

### Persona Mobile

\$1,995

**T**his is the new device to make you say "Wow!"

The new Persona Mobile is small and light enough to slip in your pocket, yet filled with features you will use.

For text-to-speech voice output we have included the extremely popular, intuitive Persona communication program. And, we should mention it's a full-functioning PDA with a cell phone, stereo Bluetooth®, built-in satellite GPS navigation, digital camera, built-in Wi-Fi®, an integrated, detachable keyboard and a carrying case. The color touch screen is very bright with a wide viewing angle.

Have conversations face-to-face or over the phone, send SMS text messages or e-mails, surf the web, listen to music, and more.

No scanning access at this time. Available May 2008.
